NEOCAP continues to provide training and education for residents and staff as a continuing effort to prevent sexual abuse and sexual harassment in our facility. PREA refresher training has been conducted for all staff and all new hires received the initial PREA education training during their orientation.

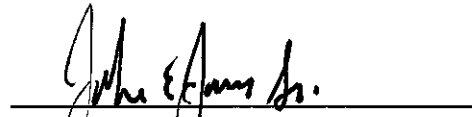

In addition to ongoing training and education regarding PREA, NEOCAP has again re-evaluated its PREA intake screening form. Revisions were made to the form to provide

us with a more uniform and accurate system for assessing residents and evaluating their needs prior to, and after their intake. Also there will be upgrades and additions to NEOCAP's camera and video systems to allow for better observations to ensure safety and security and to eliminate blind spots in the facility.

NEOCAP continues to maintain a zero tolerance policy against sexual abuse and sexual harassment. Residents and staff shall be free from sexual abuse, sexual harassment and free from retaliation for reporting such incidents. All residents and Staff are encouraged to report any acts of sexual abuse or sexual harassment. Every effort will be made to eradicate all forms of sexual abuse and sexual harassment.
